EUGENE SAUNDERS DIES IN MICHIGAN

Wealthy Tobacco Man and Land Owner, Native of Fleming County, Dead—Brother of Local Woman.

Eugene Saunders, of Lexington, died Tuesday at Battle Creek, Mich., where he had been in ill health for one month. He had been in ill health for a year. The body will arrive in Lexington Wednesday night at 11:55 o'clock on the L. & N. railroad. Mr. Saunders is survived by his wife, Mrs. Eugene Saunders; one daughter, Mrs. Lucien Lee, three brothers, M. G. Saunders, of Lexington; Riley Saunders, of Flemingsburg, Ky.; and Bruce Saunders, of Flemingsburg; one half-brother, Thomas Saunders, of Hillsboro, Ky.; two sisters, Mrs. Harlan Day, of this city, and Mrs. W. F. McKee, of Hillsboro, Ky. Funeral arrangements will be announced later.

Mr. Saunders was a native of Fleming county and had made one of the most phenomenal successes of any man in the state. Mr. Saunders was recognized as one of the wealthiest men in the state having acquired his wealth largely through tobacco. He was one of the largest holders of fine farm land in the Bluegrass district and had many warm friends here who are grieved to hear of his death.

PLENTY OF SCHOOL TEACHERS THIS YEAR

Last year the Mason County Board of Education had considerable trouble in getting enough young ladies and young gentlemen to teach the county's schools but it is understood that Superintendent Turnipseed has many applications this year and when the Board meets the first Monday in next month to elect they will have little trouble in getting a full corps of teachers.

SIX PER CENT. DIVIDEND DECLARED BY BURLEY

Tobacco Company Stockholders Hear Report of Flourishing Business This Year.

A six per cent. dividend on its capital stock of \$2,000,000 was ordered paid Tuesday by the board of directors of the Burley Tobacco Company at their semi-annual meeting held in Lexington Tuesday. The company operates in thirty-one counties of the Burley district. The dividend is payable July 1.

President Clarence LeBus was in the chair at the meeting which was attended by twenty of the thirty-one members of the board. Reports submitted showed the company to be in a flourishing condition, one of the reports dealing with the management of the company's factory in Louisville which is not on a paying basis and one of the greatest assets of the company.

During the meeting, nothing was said about the growers who are stockholders in the company increasing or diminishing their tobacco crop from the coming year, but it is generally believed that there will be a increased acreage throughout the Burley District stimulated by the unusually good prices which prevailed on the market which closed recently.

CARNIVAL MAN GIVES CASH BOND

The Fleming Gazette says: William Mays, manager of the street fair or carnival company, who was arrested here last week on a charge of permitting or conducting gambling devices, as mentioned last week, was released under \$275 cash bond to appear before the next grand jury. After putting up the cash bond, Mays and his carnival company left for Portsmouth, Ohio, and it is doubtful if he will ever come back. In the event that he does not come back, of course his bond will be declared forfeited.

GUARANTORS FOR CHAUTAUQUA ARE ALL NOW SECURED

Contract For Maysville Chautauqua Signed—Fine Lot of High Class Talent Is Procured.

It will be a source of real pleasure to the Chautauqua devotees of this city and the surrounding communities to know that there will be a Chautauqua here this year surpassing, if possible, the very excellent program tented last year. Maysville will again have the Colt-Alber Service as Mr. William G. Lavelle, representative, has closed the contract with Chairman A. L. Merz, representing the Chautauqua committee of the Chamber of Commerce and the necessary guarantors were secured today.

Never has there been such an assemblage of brain power in the lecture forum as the Colt-Alber Service tenured the patrons of their circuit Chautauqua this year. Dr. Frank Bohm, is known to our people having been here last year. Auzac Tom Skehill, of whom we carried a story in these columns, is a world figure today and will draw a tremendous audience if he is not predicted. But in addition there is Dr. James L. Gordon, of Washington, D. C., a keen observer, a fine orator and a deep thinker and living as he does in the Nation's Capitol has an opportunity to measure men and affairs from an angle not given the ordinary citizen. He will bring a great message. Lieut. Jean A. Picard is a Frenchman who was wounded at the first battle of the Marne when Paris and world-wide democracy was saved. He has been in all the battlefields of this country and everywhere has been heralded as a real man and hero with a real message. Last year he was the outstanding figure on the Colt-Alber five day circuit. Judge Ben Lindsay, of Denver, Col., needs no introduction to any American audience. Besides his work as the pioneer judge in juvenile work he has recently returned from abroad and he will bring a message that none will want to miss. But in addition to all of these there yet comes Judge Lobinger who is an orator of repute and with a real live and inspirational message for all who are fortunate enough to hear him. There will likewise be an authoritative speaker representing the Young Women's Christian Association and the American Red Cross who have seen active service and tell of the work done by these respective organizations.

The music will likewise be above the standard of the past. There will be the Old Home Singers, a mixed organization that will render the old and new songs in a most pleasing and delightful manner, featuring, however, the old songs. The Charles Edward Clarke Company is a three people organization containing, besides Mr. Clarke a very excellent baritone singer, Mrs. Clarke who is a cellist of note and a pianist. The Fighting Americans is a band that will deliver band music that will satisfy the critics. But they not only give you real band music they will also sing as well. The Josef Konecny Co. is a very high class musical organization that will render the classics in an understandable manner and satisfy the most discriminating. The Orpheus Four is probably the highest class male quartet in this country. It is the official organization of the Orpheus Club, Los Angeles, Cal., and won the \$3000 cash prize at the Panama-Pacific Exposition being the first prize offered for male quartettes. It is the one organization that Tetrazzini and like artists will permit to support her in making records for the reproduction machines. Besides they have made many records for the various reproduction companies. The Flah Jubilee Singers will also be a big attraction that should more than make good.

And there will be a live-up-to-date minute play this year with every actor and artist. The play will be Seven Keys to Balpate with the Percival Vivian Players, Mr. Vivian taking the role. This will be a play and an organization that would cost you from \$1 to \$1.50 to see in any theater or opera house. And the Juniors this year will put a real circus in their contribution, instead of the usual parent. They will wear animal costumes that will prove not only novel and entertaining but instructive. All in all it looks like Maysville this year will have the biggest and best she has ever had in the way of a Chautauqua.

The date for the Chautauqua has not yet been finally decided upon but it will be held this year about the first or middle of August. The exact date will be announced later.

City property values sure to increase. Rorer Auction Thursday, May 8th.

TO INSTALL ELECTRIC PLANT ON FERRY LAURANCE

The new owner of the Aberdeen-Maysville Ferry announces that he will at once install an electric light plant on the Ferry boat Laurance. This plant will light the boat entirely and will give her a high powered electric head light which is badly needed and especially in the winter time. This plant will be installed as quickly as delivery can be made.

RETURN FROM TRIP TO OIL FIELDS

A number of Maysville and Mason county men who have invested in oil stocks took an excursion to the oil fields several days ago and returned to Maysville today very much pleased. It is understood that while in the mountains some of the boys got a little dry and they soon found an alleged moonshiner operating who offered his wares at \$4 per quart. The boys invested in a couple of vials and upon it learned that it was pure water. Whether they saw any oil on their trip or not some of the boys saw water and found it pretty expensive too.

ENEMY THOUGHT A MILLION YANKS WERE IN ITALY

332d Infantry of Which George Mills Was Member, Fooled Foes Who Thought There Were Several Divisions of Americans In Italy.

The 332d Regiment of the 88th Division, just recently returned from Italy served one of the most useful and strange purposes of any outfit in the American Expeditionary Forces.

George Mills, former employee of the Public Ledger, was one of the 4,000 men in this regiment and he tells very interestingly of how the Yanks and their shrewd General "put it over" the Austrians and the Italians as well. The regiment was originally made up of Ohio men and it was replaced with Al men wherever misfits were discovered and sent to Italy to make as big a showing as possible. The going was a bit rough with the allies just then and not many men could be spared from the A. E. F. to go to Italy but it was necessary to make the enemy think a large force of American troops was on the Italian front, and the Italians themselves needed as much encouragement as they could get from seeing American troops in their country.

"Make as much of a show as you can," were the orders given by General Treat, in command of the "American forces in Italy," to Colonel Wallace, commander of the regiment, which was referred to during its stay in that country as the "American forces in Italy." How Colonel Wallace "made 'em look like a million" is told as follows:

So Colonel Wallace started. Sometimes he paraded his regiment in two different towns on the same day. The farther apart the towns were the better he liked it. He advertised the American forces like a circus. A battalion would march down the street amid the frantic cheers of the populace, turn into a side street, double back to the starting point, replace campaign hats with tin derbies and perspire proudly down the line of march again. The moment martial music was heard the regiment fell in and dressed to the right instinctively. It would parade in its sleep. It dismounted from the trucks on entering each little town and climbed back into the trucks for the rush to the next town.

"The whole country seemed crawling with Americans," the Italian observers said. It fooled the world, all right. Italy was well equipped with German sympathizers and spies, but unless the spies could tie a ribbon on each marching soldier they could never find out how many Americans there were in the kingdom. Only the few in the secret had any suspicion that there was but a single regiment. After the 332d reached the Italian front it kept up the tactics. It marched down the streets and in the streets and through the communication trenches and over back areas and in and out and round about. Whenever it found itself concentrated from observation it changed hats, or put on raincoats, or dropped its packs, or picked its packs up.

"How many Americans are there in Italy?" asked an Austrian intelligence officer after the armistice. "We know there are five divisions, but how many more?"

The American found official reports signed by Austrian fliers who managed to "identify" almost as many American units as there were in France. The regiment's services were not all hippodrome, however, for it chased the Austrians for six days. Its casualties were slight, but it was hard work trying to catch up with the fleeing enemy.

MUCH IMPROVEMENT IS NOW STARTED

Although as yet this year only one new house has been started, there is much improvement being started in various parts of the city. Within the last two weeks there has been two buildings in the business section of Market street considerably improved and workmen are now engaged on another. It is expected that work on several other new buildings will be started in the immediate future.

Will YOU grasp the opportunity at Rorer Auction May 8!

MAYSVILLE WOMEN RUN AWAY TO JOIN CARNIVAL

One Woman Said to Have Left Two Small Children Behind—Local Police Asked to Assist in Returning Women to Maysville.

Complaint was made to the local police Tuesday night by relatives that Mrs. John Forman and Miss Ophelia Rankin, both of the East end of the city, had left the city sometime Tuesday afternoon for Newark, Ohio, where they proposed to join the Rubin & Cherry Carnival which held forth here all of last week.

Both are said to be young women but Mrs. Forman is said to have left her husband and two little children here.

The mother of Miss Rankin requested the local police to inform the police of Newark, Ohio, to be on the look out for her daughter and to notify her at once so that she could go to Newark and induce her daughter to return to her home here.

Investigations by the police disclosed that both women left over the C. & O. Tuesday afternoon having purchased tickets for Cincinnati. The local officers are doing all within their power to locate the women and have them returned, the one to her husband and little children and the other to her parents.

Make no mistake. BUY Rorer property.

PRAYER MEETING THURSDAY

Regular weekly prayer meeting services will be held at the First Baptist church Thursday evening at 7:30 o'clock. These services will be in charge of Mr. Ben H. Greenlee. Following the devotional services the regular monthly business meeting of the church will be held.

OFF FOR FRENCH LICK

SPECIAL ELECTION ON 20c ROAD TAX CALLED BY FISCAL COURT

Mason County Commissioners Call Special Election in Mason County On June 14 to Give Citizens Opportunity to Levy Special Tax for Roads.

At a special meeting of the Mason County Commissioners held at the Court House Wednesday morning petitions bearing names of hundreds of voters and taxpayers in the county asking that a special election be called on the extra twenty cent road tax as provided by a recent act of the legislature, were presented. After considering the matter thoroughly the commissioners decided that they would call such an election and give the people of the county an opportunity of expressing themselves.

The official order calling such election follows: Ordered that a special election be held in Mason county on Saturday June 14, 1919, at which the question shall be submitted to the voters of voting a tax of 20 cents on the hundred dollars on all property subject by law to local taxation, under Section 157a of the Constitution, for the improvement or construction of the public roads and bridges of the County, said tax to be imposed for a period of three years. It is further ordered that no amount of money in excess of the amount that can be raised by the levy in any one year shall be expended in that year.

The question to be submitted to the people shall be as follows: "Are you for a property tax of 20 cents on each one hundred dollars worth of property in the County, to be levied each year for three years, for the purpose of improving or constructing, either or both, the roads and bridges of the County?"

The Sheriff of Mason County is directed to advertise the time and purpose of said election and the amount of tax to be levied each year in the paper published in the County having the largest circulation for thirty days before the election. The voting booths in the various precincts of the County shall be open from 6 a. m. to 4 p. m. on said day.

Upon a call of the roll all of the Commissioners voted yes.

HYERS wanted. Rorer Auction May 8.

MAYSVILLE GOES OVER TOP IN VICTORY LOAN

Secretary's Report of Sales of Victory Notes Today Shows That Maysville Has Passed Its Quota—County Near Its Quota.

Maysville has gone over the top in the last government loan. This announcement was made at 4 o'clock this afternoon by Mr. W. W. Ball, Jr., Secretary of the Mason County Managing Committee.

At the close of business this afternoon local banks reported that the people of Maysville had thus far purchased \$209,400 worth of notes and the city's quota was \$200,000 putting the city over the top with a margin of \$9,400.

Total sales in the entire county up to this afternoon amounted to \$542,850 and the county's quota is \$580,000 which shows that the county is very near its quota and the members of the county committee feel that this quota will have been reached by tomorrow afternoon and that the county will roll up a very good oversubscription.

Buy a SOLID house, like Rorer home.

DR. RICE ELECTED COUNTY HEALTH OFFICER

At a meeting of the Mason County Board of Health held this afternoon the resignation of Dr. J. S. Locke as County Health Officer was accepted. The resignation takes effect on May 15. The Board also elected Dr. J. L. Rice, of New Haven, Conn., to succeed Dr. Locke.

ERECTING NEW AWNING

Workmen are now engaged in erecting a new awning at the New York Store building on Second street. The old awning has been removed and an attractive one will take its place.

James Wall, charged with assault and battery was brought before Squire Fred Bauer this afternoon but as the Commonwealth was not ready the case was continued until Saturday afternoon. Wall was granted bail in the sum of \$1,000 which he was unable to give.

Messrs. E. A. Robinson, J. W. Fitzgerald and C. C. Dobyns were named to appraise the personal estate of Mrs. Eliza Sphar, deceased, in the Mason County Court today.

The Mason County Victory Loan committee has received no information about the airplane circus which was supposed to have been here this afternoon.

There will be a meeting of the Maysville High School Alumni Association at the High School building this evening at 7:45. All members urged to attend.

RECEIVES \$14.00 MINIMUM AVERAGE SALARY FOR TEACHERS

Doubling the salaries of teachers within the next five years, and then adding 50 per cent. before another 10 years have passed, so that the minimum average salary for teachers will be \$1,500—this is the program urged by Dr. P. P. Claxton, U. S. Commissioner of Education. Dr. Claxton says:

"It is only by very large increases in pay of teachers that we may hope to improve our schools appreciably. Small increases of 5, 10 or 20 per cent. will not avail, for they will not be sufficient to hold in the schools men and women of superior ability."

"Teachers are now paid less for their work than any other class of workers, and the increase in their pay in the last few years has in nowise been in keeping with the increase in pay of other workers, or with the increase in the cost of living. While the cost of living has increased approximately 80 per cent—food, 85 per cent; clothing, 106 per cent; drugs, 103 per cent; fuel, 63 per cent; and house

furnishing goods, 75 per cent—the salaries of teachers have increased only about 12 per cent. The purchasing power of the salary of the teacher in our public schools is therefore, only about 63 per cent. of what it was four years ago.

"Many of the better teachers are leaving the schools and their places are taken by men and women of less native ability, less education and culture, and less training and experience. Many of the places are not filled at all. As an inevitable result the character of the schools is being lowered just at a time when it ought to be raised to a much higher standard."

"Students now entering the normal schools to prepare for teaching are not of as good quality as they were formerly, which means that the standards of the schools must continue to fall. In some normal schools the enrollment is far less than in former years."

"The only remedy is larger pay for teachers. If school boards, legislators, and county and city councils would immediately announce the policy of doubling the average salary of teachers within the next five years and of adding not less than 50 per cent. more within the 10 years following the expiration of this period, so that at the end of 15 years the average salary of public school teachers would be not less than \$1,500—about one and a half times larger than they receive at present—and then take steps for carrying out this policy, much good would be accomplished thereby at once."

"Such a policy and such a prospect would attract to the schools more men and women of superior ability and would hold them, working contented-

ly and, therefore, profitably for the children and the public welfare. Such increase in salary should carry with it an increase of not less than 25 per cent. in the average length of the school term, which is now less than 160 days."

"To those who are not acquainted with past conditions and who have given the matter no intelligent thought, the increase recommended may seem large, but in fact it is not. It would in most States mean a range of salaries from \$1,000 to \$3,000. No person who is fit to take the time and money and opportunity of the children of this great democratic Republic for the purpose of fitting them for life, for making a living, and for virtuous citizenship should be asked to work for less than \$1,000 a year in any community or in any State. No one who is unworthy of this minimum salary is fitted to do this work and no such person should be permitted to waste the time and money of the children and to fritter away their opportunity for education."

"It is not for the sake of the teachers that this policy is advocated. Schools are not maintained for the benefit of the teachers. If men and women of ability are not willing to teach for the pay offered them they can quit and do something else for a living, as hundreds of thousands of the best do. It is for the sake of the schools, the children and the prosperity of the people and the strength and safety of the Nation that the policy is advocated."

Misses Ada Garr Carpenter, Hazel Carpenter, Walter Conner and Bruce Carpenter were shoppers in Maysville one day last week.

STATE BOARD TO MEET

Frankfort, Ky., May 6.—The State Board of Agriculture will meet in this city May 8 to discuss plans for the state fair. Preparations now are in progress for the catalog, which will be classified at the meeting.

SUMMING UP THE EVIDENCE

Many Maysville People Have Been Called As Witnesses.

Week after week has been published the testimony of Maysville people—kidney sufferers—backache victims—people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 50,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Maysville case. A Sorries, lock and gun-smith, W. Second and Wall Sts., gave the following statement in January, 1912: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backaches and when I stooped over, I had trouble in straightening up. Colds settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."

A LASTING EFFECT
On November 14, 1916, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today, as when I gave my former endorsement. I haven't had any trouble with my kidneys in a long time and I believe the cure they gave me will be permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sorries had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

FIRE LOSSES DECREASE

Frankfort, Ky., May 6.—During the spring season 41 forest fires were reported to J. E. Barton, State Commissioner of Geology and Forestry. They burned over an acreage of approximately 10,200 acres and resulted in damage amounting to \$39,633. Fires were reported in Rowan, Estill, Madison, Leslie, Letcher, Jackson, Harlan, Floyd, Mingo, Boone, Breathitt, Ball and Clay Counties. There is a great increase as compared with previous years.

FOR SALE AT PUBLIC AUCTION

TO THE HIGHEST CASH BIDDER, ALL THE
REAL ESTATE of the Roser Heirs

On the Respective Premises

Thursday, May 8th, 1919,

As Follows:

AT 10 O'CLOCK A. M.
NOS. 123 AND 125 MARKET STREET

TWO, 3-story brick store buildings each having a frontage of 20 feet by a depth of 66 feet. This is a good business location that speaks for itself. Present low rentals of \$40 a month each can be considerably increased by a few improvements. Wise business men will not overlook this property. Such an opportunity does not often knock at your door. Think and act.

AT 1 O'CLOCK P. M.
THE NORTHEAST CORNER OF
SECOND AND WALL STREETS

Two-story brick building covering full lot fronting 60 feet on Wall street and 66 feet on Second Street. Now rented at \$27 a month.

Also two lots adjoining above property and having a frontage of 74 feet on Wall Street by a depth of 66 feet. These two pieces can be combined making one property fronting 66 feet on Second Street by a depth of 124 feet on Wall Street. Splendid location for a garage. There is a future to this property which, with some alterations and additions, will produce a large revenue on the investment.

AT 2 O'CLOCK P. M.
NO. 34 EAST FRONT STREET
LOT 30x136 TO ALLEY

THE ROSER HOME, a stone front residence of 8 large rooms. Basement cemented throughout. One of the best built houses in Maysville. Practically a 3-story building, having finished attic with ceilings high enough for Club or Lodge rooms. Can be converted into flats or apartments and thus produce much more than the present rental of \$40 a month. A fine home or a very profitable investment as you prefer. Individuals, Clubs, Lodges, Investors should give prompt consideration to this opportunity.

AT 3 O'CLOCK P. M.

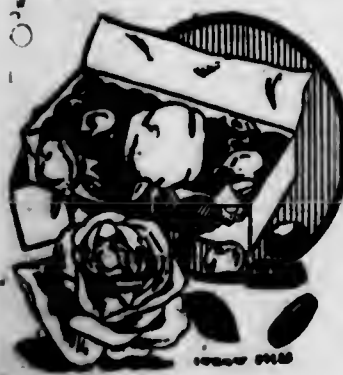

Two adjoining lots on the South side of East Second Street, between Wood and Prospect Streets, having a frontage of 66 feet by a depth of 156 feet extending back to Williams Street. Second Street is paved with asphalt. Street cars pass the lots. Good location for home, investment or speculation. Do not miss your chance. Be there and bid it in.

SIGNS ON EACH PROPERTY.

Interested parties please be at the respective locations promptly at hours stated.

BABIES THROWN FROM WINDOWS OF BURNING BUILDING

Eight Dead In Big Columbus Fire While Ruins Are Searched For Other Bodies.

Columbus, Ohio, May 6.—The total number of dead in the fire which destroyed a six-story apartment building here early today, reached eight, when two more bodies were removed from the debris.

The search for bodies is being continued and it is believed several more will be found. A number of children still are unaccounted for.

In addition to the eight known dead, a score are burned and crushed. Several were killed, when they sought to escape the death trap by leaping. Others were burned to death or suffocated.

A dozen persons were caught in life nets after long leaps from the burning structure.

Charles Speakman saw his wife leap to her death from the fifth story window. His leaped, but landed on a ladder two floors below and was rescued. His father-in-law, Louis Evans, and his adopted daughter, Charline Whittlesley, were burned to death.

A baby, hurled through the air from a fifth-story window ledge, was caught by a fireman standing on a tower out some distance from the blazing structure.

"I was standing on the ledge and

would have jumped myself, if the fireman had missed my baby," declared Mrs. Bernard Tomquist, mother of the baby.

Another baby, lowered on an improvised rope a distance of three stories and dropped the remaining two stories was caught and saved by a policeman.

Origin of the blaze is unknown. Damage to the building was estimated at \$50,000.

The Mason County Board of Tax Supervisors which has been in session for the past several weeks, hopes to complete all of their work by Friday of this week so that they can certify their assessment to the State Board and adjourn finally.

Points in the Moline's Favor

There are many points in the MOLINE'S favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week." For more "points" or a demonstration, phone, see or write

John Lee and brother, Tivis Lee, visited their father, William Lee, at Brushy Fork Sunday.

Rolly Conrad, wife and babe and Roy Linville were in Maysville Monday.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Drugists, etc.

IMPORTANT MEETING OF SUFFRAGE SUPPORTERS

An important letter requiring an immediate answer has been received by the Mason County Woman Suffrage League from Mrs. Desha Breckenridge, President of the Kentucky Equal Rights Association.

All persons interested in securing the right of suffrage for Kentucky women and all suffragists who wish to hold up the hands of our newly elected state president are urged to come to the Public Library Thursday, May 8, at 2:30 p. m.

In twenty-seven states women have the right to vote in 1920 for the next President of the United States. Do you wish Kentucky added to that number? Mrs. Breckenridge cannot speak for the state except as the local leagues express themselves.

MRS. G. W. GEISEL,
Vice President.
MRS. HOUSTON HALL,
Secretary-Treasurer.

CHANDLER SIX \$1795

Come and See the New Chandler Touring Car

Most Beautiful Big-Car Offering of the Season,
and the Price is Only \$1795

THE new Chandler touring model is here. We have waited for it. Old Chandler owners have waited for it. It's here now and we are all proud and happy.

The Chandler of the past has had splendid bodies, but the new Chandler touring car even surpasses its immediate fore-runner in beauty of line, in bigness, in comfort of its cushioning, in the nicety of its custom-like workmanship and in its lustrous finish.

The new Chandler Touring is a big car. Its high hood and radiator, its broad cowl, its wide and deep doors give it distinctive appearance.

And it RIDES,—it rides like a dream

Nothing has been cut out to permit the delivery of this fine big touring car at the Chandler price. Indeed, many little details of finish are added. The back curtain window is beveled plate glass. The clear-vision side curtains fit snugly and open with the doors. There are detachable rear quarter-bow curtains. There are outside door handles.

Carrying this Handsome Body
Is the Famous Chandler Chassis

You will choose the new Chandler touring for its bigness and its comfort and its handsome dignity. But you will choose it, too, for its mechanical excellence. Fifty thousand Chandler owners know better than we can tell you, what a good car the Chandler is. The famous Chandler motor and the sturdy excellence of the whole chassis make the Chandler notable among fine cars.

Features which have been standard Chandler qualities in the past are continued. The cushions are upholstered in genuine hand-buffed plaid leather. The front compartment floor boards are covered with heavy gray linoleum, aluminum-bound. The two comfortable auxiliary chairs fold away, entirely concealed, when not in use.

The Chandler continues for 1919 all its distinguished mechanical features; solid cast aluminum motor base extending from frame to frame, silent chain drive for the auxiliary motor shafts, annular ball bearings, Bosch Magneto ignition and many other features of design and equipment characteristic of the highest-class motor car construction.

MANY DISAPPOINTED AT FAILURE OF TANK TO ARRIVE

Quite a number of Aberdeen people were disappointed Tuesday afternoon when the Whippet tank which was scheduled to appear there at 4:30 failed to appear. It seems that all of the government's demonstrations during the Victory Loan campaign have been considerably behind schedule and folks have been greatly disappointed everywhere.

Don't let the other fellow outbid you at Roser Auction Thursday, May 8.

GREAT BARGAIN SALE OPENS SATURDAY

We call particular attention of our readers to the advertisement of the Maysville Suit and Dry Goods Company appearing elsewhere in this issue. This popular store proposes to begin a great bargain sale on next Saturday. The advertisement contains much important bargain news—read all of it.

SPECIAL SUNDAY SCHOOL NOTICE

Those who made flags for the recent Go-to-Sunday-School Day requested by the committee, are requested to bring them to the Chamber of Commerce, upon which day the award will be made the one winning the prize as being best will be sent to the State Association.

Don't forget Roser Auction. Read Advertisement.

LEAVES ON VACATION
Miss Mary Helman, assistant City Treasurer and Secretary to the Mayor, leaves tomorrow on her annual vacation. Miss Helman will visit her sister and brother-in-law, Dr. and Mrs. Winter, of Memphis, Tenn., stopping over in Louisville for a short visit with relatives.

FLEMING NEARING VICTORY LOAN QUOTA

Chairman S. E. Dye of the county reports bond sales of about \$200,000 to date, and sales being reported each day. The quota for the county is \$266,200, so if you intend to take any of the Victory bonds now is the time to do it. The drive will close next Saturday.—Fleming Gazette.

OUR COLORED CITIZENS

May 11th, let us not forget this day, as it is the day when the Bethel Baptist church will have the great rally. Dinner will be served in the basement all day. Price 35c. We ask each and every church to attend, you're cordially invited also. The good folks from the county whom we all know will take great interest in coming to town that day. Do not forget the day and date.

ACCEPTS SPLENDID POSITION

Mr. Roy Hampton has accepted a position with the Benjamin Moore Company, paint manufacturers of Cleveland, Ohio, and leaves Friday to report to his firm. Mr. Hampton is a fine young business man and will certainly make good. His many friends wish him much success. The Benjamin Moore Company, whose manager is Mr. John Cochran, has claimed more young Mayvillians than most any out-of-town concern and the best part of the matter is that all of the Maysville boys have made good—that's why they want the man from Maysville.

WHEN TO GATHER ROOTS AND HERBS

For medicinal purposes, roots and herbs should be gathered when their medicinal properties are at their best. For instance, roots of annual plants should be dug just before their flowering season, and roots of biennial or perennial plants after the tops have dried. All these things are taken into consideration in gathering the roots and herbs, many tons of which are used annually in preparing that most successful of all remedies for woman's ills, Lydia E. Pinkham's Vegetable Compound.

BUY VICTORY LIBERTY Bonds
